## 1. Introduction

---

This document specifies which Apex Learning® Courses have required or optional course materials and details the specific materials. Course materials apply to the Core, Prescriptive, and Honors pathways. Materials are not needed for Focused Courses. Materials may include:

- Textbooks, novels, science lab manuals, and other books
- Microphones, speakers or headphones, and calculators
- Business productivity-type software, such as Microsoft Office
- Lab materials. Visit Apex Learning Support at <http://support.apexlearning.com/materials> for a list of hands-on lab materials.

## 2. Acquiring Course Materials

---

Users must source course materials on their own, e.g. required and optional books, where content is not provided in-product. Links to open source and public domain materials can be found within this document.

### Acquiring Lab Materials

Apex Learning has partnered with a third-party vendor to create custom laboratory kits that contain all the materials needed for select science courses. To view and purchase lab kits, visit vendor's website at <http://www.qualitysciencelabs.com/apex-learning-science-kits/>.

## 3. Questions?

---

Contact the Apex Learning support team by phone at 1-800-453-1454 or by email at [support@apexlearning.com](mailto:support@apexlearning.com).

## 4. Course Materials At-a-Glance
